**January News letter**  
**2007**

## Happy new year everyone.

Welcome to the first newsletter of 2007. Lets hope this is a good year for flying.

Firstly can I say a big thank you for the efforts of the new years day fly, tea and raffle, we had a good turn out and the weather was kind to us, so there was lots of flying even with a bit of a wind!

Thanks also to Rod (from Elite models) and the A.R.A. for some great prizes for the raffle. Only 1 mishap, a minor amount of damage (in your dreams Paul) to a heli hitting the ground flat out!!! Otherwise a very good day.

## Interclub:

As some of you maybe aware, we had a invitation to attend the Medway club, for the bonfire night barbi, and night flying which was a great day. Throughout the year there will be other interclub competitions and open days so if anyone is interested then let Either Dave Teal or myself know and we'll get the details alternatively if anyone fancies organising something at our field for other clubs to attend then let us know.

## E-Mail:

With the wide use of e-mail now being used by the young and old if anyone would prefer to receive our newsletter via e-mail instead of the old fashioned postman pat type then drop me a line I'd be happy to do that for you. My address is [iaín@stingemore.co.uk](mailto:iaín@stingemore.co.uk) I would also love some pics of anything (within reason !!!) to put in the newsletter thank you Pete for the lovely Tri plane pic which I took.

## Christmas dinner:

This years Christmas dinner has been booked at the Conningbrook for the 23rd February 2007. Not sure if we're late for last year or early for this!!

A menu will be available soon (I'll put it in the caravan or I can e-mail it to you) and will be 3 courses for £17.50 please let Me or Paul Lane know a.s.a.p.

## The Field:

No problems with the field that I know of other than the obvious DO NOT DRIVE ACROSS IT AT ALL until it dries out as its very muddy.

Even 1 trip across will rip it to bits. Thank You.

We also haven't had any reported accidents at all so that's also good for the

## B.B.Q.'s:

You know we love them and we will be having at least two this year so if anyone has any ideas of what excuse we need to have one (like we need one) or if you fancy some kind of competition then give us your ideas and then we will organise something.

## Membership:

We currently are ahead of last year's membership it now stands at 49 and is going up very quickly which is nice to see. Which reminds me I must renew mine!

## Enduro bike dates:

If you would like more information then the web site address is:-

[www.sellindgemx.co.uk](http://www.sellindgemx.co.uk)

We MUST NOT fly fixed wing on these dates until at least 4pm.

Sorry.

## Finally:

The BMFA membership has dropped by £1 which makes a nice change from going up! I would like to do a for sale page if anyone has anything to sell. I will find out about the web site so these news letters can be viewed online.

Not much on there at the moment its [www.araclub.com](http://www.araclub.com)

I hope you liked this if you have any comments good or bad please let me know.
